HughesNet is a registered trademark of Hughes Network Systems, LLC, an EchoStar company. The HughesNet Gen5 service plans are designed to deliver download speeds of 25 Mbps and upload speeds of 3 Mbps, but individual customers may experience different speeds at different times of the day. Speeds and uninterrupted use are not guaranteed and may vary based on a variety of factors including: the configuration of your computer, the number of concurrent users, network of internet congestion, the capabilities and content of the websites you are accessing, network management practices as deemed necessary, and other factors. When you connected to HughesNet service using Wi-Fi, your experience will vary based on your proximity to the Wi-Fi source and the strength of the signal. *Speeds may vary depending on distance, line quality and number of devices used concurrently. Subject to availability. Some prices shown may be introductory offers. Equipment fees, taxes and other fees and restrictions may apply. **Speed comparison based on 1.5 Mbps DSL.
