**Why you need dental insurance in retirement.**

Many Americans are fortunate to have dental coverage for their entire working life, through employer-provided benefits. When those benefits end with retirement, paying dental bills out-of-pocket can come as a shock, leading people to put off or even go without care. Simply put - without dental insurance, there may be an important gap in your healthcare coverage.

**When you're comparing plans...**

- Look for coverage that helps pay for major services. Some plans may limit the number of procedures - or pay for preventive care only.
- Look for coverage with no deductibles. Some plans may require you to pay hundreds out of pocket before benefits are paid.
- Shop for coverage with no annual maximum on cash benefits. Some plans have annual maximums of \$1,000.

Medicare doesn't pay for dental care. That's right. As good as Medicare is, it was never meant to cover everything. That means if you want protection, you need to purchase individual insurance.

Early detection can prevent small problems from becoming expensive ones. The best way to prevent large dental bills is preventive care. The American Dental Association recommends checkups twice a year.

Previous dental work can wear out. Even if you've had quality dental work in the past, you shouldn't take your dental health for granted. In fact, your odds of having a dental problem only go up as you age.

Treatment is expensive - especially the services people over 50 often need. Consider these national average costs of treatment - \$27 for a checkup - \$189 for a filling - \$1,219 for a crown. Unexpected bills like this can be a real burden, especially if you're on a fixed income.

**"I don't worry"**

"Now that I have your dental policy, I don't worry about going to the dentist. I love your plan - you pay what you say!"  
Colleen W., MO

EXHIBIT A CERTIFICATE OF UNDERWRITER

This certificate is furnished by Stifel Nicolaus and Company, Incorporated ("Stifel Nicolaus"), in connection with the purchase of \$15,000,000 aggregate principal amount of General Obligation Bonds, Series 2022 (the "Bonds"), of the Parish of St. John the Baptist, State of Louisiana (the "Issuer"), at negotiated sale. The undersigned hereby certifies as set forth below with respect to the sale and issuance of the Bonds: 1. The undersigned is duly authorized to execute this certificate on behalf of Stifel Nicolaus and has been fully apprised of the facts and circumstances forming the basis of this certificate. 2. As of the date of this certificate, for each Maturity of the Bonds, the first price at which at least 10% of such Maturity of the Bonds was sold to the Public is the respective price listed in Schedule A. 3. Stifel Nicolaus has (a) determined the aggregate purchase price of the Bonds (gross of underwriting discount) to be \$16,011,732.60, representing the sum of the aggregate principal amount of the Bonds of \$15,000,000.00 plus reoffering premium of \$1,011,732.60; (b) determined the yield on the Bonds for arbitrage purposes, calculated in accordance with the methodology set forth in the Code, to be 2.6266%; and (c) determined the weighted average maturity of the Bonds, calculated based on reoffering price, to be 3.648 years. 4. No Bonds were sold in exchange for property or rights to use any other types of property. 5. In addition to terms defined elsewhere herein, the terms below shall have the following meanings in this certificate: (a) "Maturity" means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities. (b) "Public" means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term "related party" for purposes of this certificate generally means any two or more persons who have greater than 50 percent common ownership, directly or indirectly. (c) "Sale Date" means the first day on which there is a binding contract in writing for the sale of a Maturity of the Bonds. The Sale Date of the Bonds is July 20, 2022. (d) "Tax Compliance Certificate" means the Tax Compliance Certificate for the Bonds to which this certificate is attached. (e) "Underwriter" means, collectively, (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public). The representations set forth in this certificate are limited to factual matters only. We are not engaged in the practice of law, and nothing in this certificate represents our interpretation of any laws, including specifically

Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations thereunder. The undersigned understands that the foregoing information will be relied upon by the Issuer with respect to certain of the representations set forth in the Tax Compliance Certificate and with respect to compliance with the federal income tax rules affecting the Bonds, and by Foley & Judell, L.L.P., as bond counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of the Internal Revenue Service Form 8038 G, and other federal income tax advice that it may give to the Issuer from time to time relating to the Bonds; however, the foregoing information may not be relied upon by any other person for any other purpose.
